

Press Release

November 20, 2006

Terra Grain fuels announces the launch of its long awaited and much anticipated “Grow With Us” program. This program is the first of its kind in Canada’s ethanol community. The program offers a 2 year fixed priced contract along with a very lucrative “Conexus Cash Advance” incentive of \$75.00 an acre.

The launch will occur at the start of the world famous “Canadian Western Agribition.

President and CEO, Tim La France, said

“the anticipation has been quite remarkable. Ever since we started traveling the province meeting with producers in focus groups and around kitchen tables the phone has not stopped ringing. We are happy to report that we listened to each and every producer we met and from that developed what we believe is the most innovative program producers have seen. We look forward to seeing all of you at Agribition and we are looking forward to an excellent show and reception for our “Grow With Us” program featuring:”

Higher yields
Cash Advance Program
No interest
2 year contracts available
Scheduled deliveries
'Act of God' clause

Lower risk
Cash today, Crop Tomorrow
No payment 'til delivery
Liberal Spec
Deal direct
No application fee”

Terra Grain Fuels is currently building North America’s largest Wheat Ethanol Plant at Belle Plaine, SK.. It will be commissioning in November, 07 with full production beginning in December, 07.
